S I R:

In accordance with the provisions of 37 CFR 1.56, 1.97 and 1.98, it is requested that a citation and examination of the references listed on the attached Form PTO-1449 be made during the course of the examination of the above-identified application.

REMARKS

U.S. Patent Nos. 4,639,672 and 6,107,799 were discussed in the Background of the Invention of the above-identified application. Copies of these two references are attached herewith. It is respectfully submitted that the specification distinguishes the claimed invention over the teachings of these two references and that the claims are patentable thereover.

Respectfully submitted,
